

CHAMPIONS PROGRAM

The St. Louis Sports Commission created the Champions Program to provide businesses and individuals an opportunity to support its efforts. As an independent nonprofit organization, the Sports Commission seeks private support to fulfill its mission of making St. Louis a better place to live, visit, work and play. The organization's results make St. Louis a stronger market, generate economic development, lead to downtown revitalization, and contribute to the region's quality of life.

You're invited to join the entity that delivers extraordinary value – and the best in sports – to the St. Louis community. By becoming a Sports Commission Champion, you'll back a proven leader and winner. You'll help the organization continue to make great things happen for St. Louis. Champions make an annual \$1,000 investment in the Sports Commission. In appreciation of their support, they receive several special benefits:

- Two complimentary tickets to the 2012 USA Gymnastics Visa Championships Sr. Women's Competition on June 8 at Chaifetz Arena.
- Invitations to a minimum of four Sports Commission Member events held throughout the year.
- Exclusive access to purchase prime seats for Sports Commission events.
- Opportunity to purchase a minimum of two tickets to the Missouri vs. Illinois Busch Braggin' Rights basketball game.
- Recognition on the Sports Commission's website.
- Recipient of all organizational correspondence featuring Sports Commission news and member opportunities.

To become a Sports Commission Champion, please complete the following information and return this form to the fax number or address noted below.

***The St. Louis Sports Commission is a 501(c)(6) business organization. Partnership investments are tax deductible as a business expense but not as a charitable contribution. If you prefer to make a charitable contribution, you may do so to the Sports Commission's affiliated 501(c)(3) St. Louis Sports Foundation. For contributions made to the Foundation, the amount that is tax deductible must be reduced by the value of benefits received.
