

PARTNERSHIP PROGRAM

As an independent nonprofit organization, the St. Louis Sports Commission seeks private support to fulfill its mission of making St. Louis a better place to live, visit, work and play through sports. The companies and individuals who participate in the Sports Commission's Partnership Program pave the way for the organization's success. The Partnership Program is the cornerstone of its strength and stability.

You're invited to support the entity that delivers extraordinary value – and the best in sports – to the St. Louis community. The Sports Commission's results make St. Louis a stronger market, generate economic development, lead to downtown revitalization and contribute to the region's quality of life. As a Partner of the organization, you'll back a proven leader and winner. You'll help the Sports Commission continue to make great things happen for St. Louis.

Sports Commission Partners make an annual cash or in-kind investment of \$5,000, \$10,000 or \$25,000. In appreciation of their support, Partners receive several special benefits, which are outlined on the back of this form.
