## CLINIC HIGHLIGHTS

The YES Clinic puts you in the game as part of the NCAA's premier outreach to youth across the country. Connect with other young athletes and receive fundamental sports instruction from collegiate student-athletes and coaches representing successful NCAA sports programs.

- Participate with other athletes, high school and youth coaches, and volunteers.
- Learn conditioning tips to improve your athletic performance.
- Discover life skills that will benefit you as a student-athlete.
- Receive hands-on instruction from NCAA student-athletes and coaches.

## REGISTRATION

Registration is limited to ensure that group instruction sessions are small; therefore, early enrollment is strongly suggested. Girls and boys must be 10 to 16 years old to participate. All applications must be signed by a parent or guardian to be eligible. Confirmation will be made on a first-come, first-serve basis with letters. Clinic sessions will include skill instruction, conditioning and life skills.

**Participants should wear athletic clothes and shoes for indoor skill instruction.**

**Register early!**
